Re: *Widewaters Commercial Development
Joint Permit Application to ACOE and NYSDEC
Town of Greenport, Columbia County, New York
TCC Job # 90635.00*

Dear Mr. Dangler:

On behalf of the Widewaters Group, Inc., the Chazen Companies (TCC) are pleased to submit the enclosed Joint Application to authorize the construction of a commercial development at a 128.2-acre property located east of US Route 9, north of the City of Hudson, Town of Greenport, Columbia County, New York. Widewaters Group, Inc. The proposed development involves approximately 565,000 square feet (SF) of retail redevelopment at a site previously utilized for retail development.

The proposed development will result in the disturbance to 0.28 acre of emergent wetlands. This application constitutes a pre-construction notice to the U.S. Army Corps of Engineers under Nationwide Permit 39, and an application for an Individual Section 401 Water Quality Certification to the New York State Department of Environmental Conservation. We look forward to hearing from you in a timely matter regarding this information. Please contact me at (518) 812-0513 if you have any questions.

Sincerely,

Auggie Ruggiero
Environmental Scientist
