Dear Mr. Marzocchi:

The Department has completed a conceptual review of the plan you submitted for the proposed northern driveway alignment with Joslen Blvd. The plan we reviewed is drawing Number C164, dated September 22, 2006. We feel this plan is acceptable and adequately addresses the Department's concerns regarding the Joslen Blvd. intersection. We encourage the Town of Greenport to consider this as an access alternative during the environmental review process.

If you have any questions, please contact me at (845) 575-6040

Very truly yours,
