**RE: Greenport**

Dear Mr. Marzocchi,

Municipal Water and Sewage service is available and can be provided by the Town of Greenport for the above referenced project. The sewer plant has enough available capacity to handle the additional 56,000 gallons of flow that is anticipated. The proposed water layout is more than adequate to meet domestic use flow.

If you have any questions, please call me at 518-828-3400.

Sincerely,

John E. Mokszycki  
 Water & Sewer Superintendent  
 Town of Greenport
